Location: Vile Parle (E) & Diamond Bourse, BKC (Mumbai)

Established as 'a community lounge' five years ago by the Wagh Bakri Tea Company, WBTL (as college students frequenting the Vile Parle outlet call it) is one of the pioneers in the tea lounge space. Sample teas from Wagh Bakri's own expansive tea blend range. For those with adventurous palates, try the Tea with Butterscotch Ice cream (Rs150), an odd but strangely pleasing concoction. Their small eats menu includes bun maska, khari and dhokla (Rs80 per plate).
